Membership Application Form

Membership is a vital component of our organisational operation. New members are welcome to join our Show Society and we encourage anyone who may be interested in supporting our agricultural show to please consider becoming a member.

Show Societies across Australia aim to share agricultural knowledge and resources, create new and exciting experiences and provide opportunities to the wider community. A strong membership means we have a wealth of knowledge, experience and enthusiasm in a team of united local people to achieve such a goal. A strong membership base can also be beneficial when we are applying for additional support from government, sponsors and other agencies and we believe it reflects the *positive culture* we aim to have within our organisation.

Those who share the enthusiasm and vision for the future of our growing Agricultural Show are encouraged to join. The Committee is compiled of members and volunteers interested in assisting with our Show Society.
