To our valued Dairy Exhibitors,

The Malanda Show Society wishes to thank everyone for their ongoing participation in the dairy section. Malanda Show is a very highly regarded dairy show throughout Australia.

As you would be aware the far northern show season is fast approaching, as such it is quite timely to communicate with all dairy exhibitors for the upcoming Malanda Show – 27<sup>th</sup> – 29<sup>th</sup> of June 2025.

Please note the selection of all judges across all the sections of the show is at the discretion of the Show Management Committee and may not be from the nominations provided by the various sections involved.

It is important to note that we do expect our volunteer stewards and staff to conduct themselves in a professional manner and the same is expected of exhibitors at our events. We are very grateful to both exhibitors and volunteers and ask that we make a huge effort to work together as we are all working to showcase the best of our respective industries.

**This year we are expecting the return of some previous exhibitors as well as some new exhibitors.** With this in mind, there will be VERY LIMITED AREA FOR CAMPING WITHIN THE SHEDS and on the showgrounds. Camping in the campgrounds is also at a premium so please work together. Dairy Exhibitors who wish to camp on the grounds during the show are asked to camp in the designated camping area. Dairy sheds, with the exception of the Illawarra Shed, do not have spaces or privacy available for camping. If you are intending to camp during the show, please complete the appropriate forms and lodge them with the office by the relevant closing date.

We must congratulate you all on the presentation of our cattle sheds during show time in previous years, they are always wonderfully presented, and we hope to maintain this for many years to come. As everyone is aware, the continuing wet weather is proving to be challenging for tick control and animal husbandry. Shows are your ‘shop window’, so please select exhibits that are ‘show worthy’ to encourage optimistic conversation and positive perspective around the cattle in our area. Please leave any animals at home if they have warts or ringworms as these are highly contagious.

As you are aware Malanda Show is growing enormously in popularity. One of the reasons for this is the opportunity for show patrons to walk through all the cattle sheds. Whilst it is not easy to accommodate this amount of public traffic on judging day, please remember that these people are your customers and although it is at times frustrating, we hope we can work together to continue this wonderful PR exercise. This is your opportunity and your shop window to promote your industry! Signage has been purchased to inform the public of the risks of moving animals and when judging will be happening.

People come to Malanda Show because it is a true agricultural show; show patrons enjoy exploring the sheds and hence we want to ensure the stalls are full of animals **and this includes into Sunday.** **Please,** we need more animals to be left at the show for the large number of show patrons coming

***Grow with the bank founded  
by farmers for farmers***

We have a unique understanding of agriculture and the importance of taking a longer view. That's why, through bumper seasons and leaner years, we'll be here to help you grow.

through the stalls on Sunday. We need the majority of your show team on display throughout the entire show and also for participating in our Grand Parade on Sunday from 11.30am.

The main income that our society receives is gate admission from show patrons attending our show and sponsorship from our valued sponsors, so please respect our show patrons and sponsors, after all they are the people paying your prize money and travel subsidy.

We again ask that exhibitors consider the amount of bedding they require for the set up as well as what they will need to use throughout the duration of the show. The kickboards used to keep the shavings within the bedded area look fantastic and keeps the majority of bedding in place. We ask that these boards are not overly deep to avoid excess use. Peeramom Skips will be removing the waste again and have asked that **no** glass and other rubbish is placed in these waste bins otherwise excess charges will be incurred. Please ensure you put waste directly into the skip bins do not just dump it beside the available bin. Please utilise the bins provided for general rubbish.

**MILK DISPOSAL:** Following complaints made to the council after the 2023 show, there is to be NO MILK TIPPED INTO DRAINS. All milk will need to be removed from the show grounds by the exhibitor.

***Please be aware that double adapters are considered a safety hazard and are no longer allowed to be used in a public place, this applies to the Malanda Showgrounds.***

Vehicle access on the showgrounds is extremely limited. If it is necessary for you to park on the grounds you **will need to park** in the camping area behind the cattle stalls. Vehicle movement will be restricted on the grounds between the hours of 9am to 4pm. If you will be needing to leave during these hours you will have to park outside. For safety the speed limit will be 10kph. **YOU MUST SHOW YOUR TICKETS/ARM BANDS AT THE ENTRY AND DISPLAY THE VEHICLE PASS.** Please consider pre-purchasing your additional tickets – TryBooking: Malanda Show. Please be considerate of our volunteers at the entry. It is your responsibility to have a ticket on you.

Finally, everyone needs to be mindful of the rules of no drinking and smoking in the cattle sheds. This is not a licensed area and as such you are leaving yourself vulnerable to the consequences of drinking in a public place. Bad behaviour, whether associated with alcohol consumption or not, will not be tolerated. The safety of volunteers, exhibitors and patrons are of high importance.

Thank you for taking the time to read this lengthy update. We appreciate the continued support for our wonderful Malanda Show.

Kind Regards,  
Kate Stokes
